Chamber Partner TESTIMONIALS

Kevin Hadawi
Wells Fargo Financial Advisors

"Moving here 5 years ago, I knew no one in Rockwall. After joining the Chamber and making the effort to get to know its members, the Chamber opened opportunities for me to truly be part of this community and expand my business. From serving on various committees, volunteering at events or being part of Leadership Rockwall...the people I've met have not only helped to expand my business, but I sincerely get to call them my friends. Nothing happens quickly, but what the Rockwall Chamber has provided me and my family, was well worth the wait."

Shannon Thompson
APlus Payroll

"Running a business can be a lonely task. There are moments where you feel like the weight of the world is on your shoulders, whether it be how to improve efficiencies or where your next customer might come from. With a Chamber membership, you're never alone. You have access to Community and Industry leaders, who are all willing to share ideas and help you develop a roadmap for success. The expression "A rising tide raises all ships", is never truer than with the Rockwall Chamber."

Gerald Hendrick
Rockwall Wealth Advisors

"My involvement in the chamber has been invaluable to the success of Rockwall Wealth Advisors. The chamber has provided me with a wealth of resources and support, including networking opportunities with other businesses in the area, access to educational and training programs like Leadership Rockwall Class of 2022, and advocacy on behalf of businesses."

I have also had the opportunity to collaborate with other chamber partners on projects that have benefited our businesses and the community as a whole. The benefits are both tangible and intangible and without a doubt has been a valuable resource for me, and I highly recommend it to other businesses in the area."
